

Be Part of the Rescue Effort!

There's lots of great ways to help in the Global Neighbor Lesotho rescue effort.

You can work as a volunteer, invite a Global Neighbor speaker to your club or organization's next meeting, and even get your friends or your whole church involved in preparing medical Caregiver kits. And yes, we'd be happy to send you information on how you can sponsor a child. Simply fill out this card and put it in the mail.

We'll contact you and help you start changing someone's world today.
